Arlington Golf

Whether you're a seasoned player or a beginner, Arlington has a perfect golfing challenge. Four beautiful courses in distinctly

different settings with affordable fees. For more information about these courses, go to www.arlingtongolf.com.

TIERRA VERDE GOLF CLUB AT THE RESERVE (817) 572-1300

Few golf courses offer the beauty, strategy and variety of Arlington's Tierra Verde Golf Club. Audubon International has named Tierra Verde as the first golf course in Texas and the first municipal course in the world to be certified as an Audubon Signature Sanctuary. Tierra Verde is carved from 250 acres of secluded terrain and capitalizes on the natural beauty of this largely untouched land. Native vegetation blends with the rolling design and beauty of a modern championship golf course. The course has hosted many prestigious events including the Byron Nelson Qualifying Tournament. Lighted driving range, practice fairway bunker, chipping and putting green complex and three practice holes. Mediterranean-styled clubhouse features outstanding amenities including fully stocked pro shop, an outdoor pavilion and a full-service restaurant, Ventana Grille.

LAKE ARLINGTON GOLF COURSE (817) 451-6101

This beautiful 18-hole track is nestled on 185 acres of Lake Arlington's north shore, where time-honored design blends shot-making demands, along with open tree-lined fairways. With multiple sets of tees for all skill levels, Lake Arlington plays from 5,485 to 6,637 yards. The facility also offers a practice putting green, chipping area, and a clubhouse with a full line pro shop, club repair and snack bar concessions.

CHESTER W. DITTO GOLF COURSE (817) 275-5941

Eighteen holes of challenging golf with plush fairways narrowed by trees and accented by sand bunkers and strategically placed landing areas. Driving range, putting green, and chipping area available for practice. Clubhouse features a snack bar and pro shop carrying a full line of accessories.

MEADOWBROOK GOLF COURSE (817) 275-0221

Nine-hole executive course just east of downtown Arlington features six par 4's ranging from 250-300 yards and three par 3's playing as long as 150 yards. Small greens and narrow fairways offer fun and challenge for players at all levels. Great for beginners and sharpening short game skills. Pro shop and concession service.

Book your next tournament or group event at any one of these fantastic courses, operated by PGA Professionals and maintained to the highest standards by GCSAA superintendents.
