★ Arlington's other favorite "sports"

Phenomenal shopping venues offer everything from fashion's favorite labels to quirky Made in Texas gifts. Does a screaming deal on a Coach handbag make you weak in the knees? Then it's time to slip into sensible shoes and start hitting the racks.

But remember: You are on vacation, after all. Take some time to visit one of our acclaimed day spas for some pampering.

All girlfriends' getaways need a great shopping and spa day. stayin.arlington.org has more ways to make this the best getaway yet.
